## Remember a Life. Touch the lives of Others.

The Ruth Lindsey Memorial Garden & Walkway has truly become a garden of love – providing a special place of reflection for loved ones. Nestled in a tree-lined walkway, the garden contains seating areas, fountains, a labyrinth, and a tranquil pond. It was thoughtfully crafted and creatively designed by landscaping professionals to provide a comforting stroll and a quiet place for reflection.

The calm serenity of The Ruth Lindsey Memorial Garden & Walkway provides solace and comfort to our visitors. Many families and friends enjoy returning each year at a special time to visit their memorial and reminisce. Beautiful commemorative items and bricks can be purchased as a tangible way to remember and honor loved ones – even those not on our services or who are still living. By purchasing a commemorative item, you are creating a lasting tribute to your loved one as well as supporting our mission to provide peace of mind and comfort through compassionate care. Additions to the Memorial Garden & Walkway are ongoing as people continue to honor loved ones.
